You can change your slide(s) at any time during the year. Try to use limited wording. Ensure Contrasting Colors. The Arial Font works best. If we are designing your slide, please send us as much information as needed, including photo's, sketches, wording and your ideas.

If sending your own slide, please ensure Powerpoint, .tif or .jpg format.

What is On-Screen Advertising?

For example, the slide advertising will run for about 30 minutes before the show. Each slide will be viewable for about 10 seconds. That would be about 6 slides per minute.

Benefits

- We have from 1 to 3 shows per day, 7 days a week.
- You can display your business cards and flyers in our lobby.
- You can change your slide out at anytime with no additional costs (unless we design the slide change)
- You can stop your monthly advertising at anytime.
- You can add an additional basic slide for the same business for only \$20 per month.
